

Political Spectrum Survey

1. People should be able to say whatever they want and have total freedom of speech.
2. The government should make sure that everyone has a place to live, medical care and other basic needs met.
3. I want the government to stay out of my life. Small government is good government
4. The United States should be the policemen of the world and help people in need.
5. Taxes take away freedom, freedom to spend money the way you want to.
6. The national government cannot solve all the problems in society. City and state governments should do more.
7. I support traditional values: family, church...the same as my grandparents
8. Things are good the way they are, the government should not try to change society.
9. The rich are getting richer and the poor are getting the poorer. This is wrong and the government should stop it.
10. Burning the American flag is okay, it is free speech.
11. The government can help the economy by giving money to poor people in need.
12. There should be strict gun control laws.
13. Searching student lockers for dangerous items is fine because it protects all students.
14. Rich people should pay a higher percentage of taxes than poor people.
15. Homosexuals should be protected by the government with special laws, just like other minorities.
16. Student led prayer in school is fine.
17. There should not be a death penalty.
18. Schools should fight teenage pregnancy and give out condoms in school.
19. Abortion is a choice women should have.
20. Tax dollars should not be spent on artists that some think are bad.
